THEODORE ROBBINS, Manager

MANCHESTER, N. H. June 21, 1943

Gentlemen:

Received your lovely package and want to thank you very much for remembering me. It really does a fellow good when he is in the service to know that his friends at home are thinking of him.

You are doing a wonderful job and I know all the boys appreciate all you are doing for them and believe me it really gives them an incentive to do their duty and come back to people like the Bryant Service Club.

Remember me to all my former
teachers and tell them that if
I ever get home I surely will come
over and see them.

Again I want to thank you for
the wonderful remembrance and I
want to wish you the best of
luck in your endeavors.

Sincerely,
William Grace
